ORDER

21 CV 6757 (VB)

On September 22, 2021, plaintiff filed a motion requesting the Court investigate the arrests of plaintiff in April 1990 in Reading, Pennsylvania. (Doc. #9). Plaintiff also filed in support of his motion (i) an affidavit; (ii) a letter regarding plaintiff's concerns; (iii) a letter regarding plaintiff's concerns regarding the United States and other countries; and (iv) a request for a permanent restraining order against "Officers Borreiro, Lance, Lucheese, Pendergrat, and other officers unnamed of the 42nd precinct of Bronx County, New York, and correctional staff (officers) at all facilities [he] had been to." (Doc. #13). In support of his request for a restraining order, plaintiff states the facilities staff and officers are conspiring with the Bronx County Supreme Court. (*Id.*). He also requests his former lawyers be charged and restrained. (*Id.*).

Because the Court does not have the authority to grant the relief requested in plaintiff's motion, the motion is DENIED.

To the extent plaintiff requests the Court impose a restraining order, plaintiff has not presented facts demonstrating such order is necessary. Accordingly, such request is DENIED.

The Clerk is instructed to terminate the motion. (Doc. #9).

The Court certifies pursuant to 28 U.S.C. § 1915(a)(3) that any appeal from this Order would not be taken in good faith, and therefore in forma pauperis status is denied for the purposes of an appeal. *Cf. Coppedge v. United States*, 369 U.S. 438, 444-45 (1962).

Chambers will mail a copy of this Order to plaintiff at the address on the docket.
